Country-Style Bathrooms

Warm wood tones and natural stone tiles often give country-style bathrooms a nostalgic feel. Thanks to the round shapes and natural materials that characterize this bathroom type, you can count on a soothing appearance. Country bathrooms are often classic, although our range also has country bathrooms with a modern twist. In that case, use is made of sleek accessories such as rectangular taps.

One thing is certain: with a country style, your bathroom will become the ultimate place for relaxation.

Modern Bathrooms

Clean lines, high gloss and trendy accessories. Modern bathrooms have a minimalist design and therefore radiate luxury. You can go in all directions with materials, accessories and colors. As long as the shapes remain simple and sleek and most cosmetics are stored in cupboards.

Thanks to luxurious amenities such as a walk-in shower, the modern bathroom offers ultimate relaxation. The design can therefore last for years. Do you find it difficult to choose a style ? Then see which operating comforts suit your use.
